Join your nurse-midwife colleagues for our 6<sup>th</sup> Annual Lobby Day in our State Capitol!

*Morning Prep Session:* CNMA Lobbyists Angela Blanchard and Stacy Dwelley of Political Solutions will review current legislative issues and hot topics of the day, making sure each participant is well prepared for visits with legislators and their staff.

*Legislative Visits:* Small groups led by CNMA leadership and lobbyist staff will meet with State Senators and Assembly Members to educate them about nurse-midwifery, our training and scope of practice, the women we serve and our legislative agenda and budget concerns. In addition, our lobbyist will make every effort to arrange for midwives to meet with their own representatives – please provide info\* and register early to ensure your meeting!
