

## Certified Nurse-Midwife, Kaiser Sacramento

Kaiser Sacramento is about to become a full, 24/7 midwifery service - just in time for the opening of our beautiful new Womens and Childrens Pavillion in Roseville Jan 2009, where we'll have 24 LDRs! We're looking to hire 3 or 4 CNMs, 0.6 - 0.8 positions, for clinic and L&D, nights and weekends:

### EDUCATION

Graduate from school of nurse midwifery accredited by the American College of Nurse Midwives

### CERTIFICATION

Nurse Midwife Certification, California Board of Registered Nursing, Certification by the American College of Nurse Midwives. CPR and NRP required. CA drug furnishing certificate, DEA certificate.

### QUALIFICATIONS/ TRAINING/WORK EXPERIENCE

- 3 years experience as a CNM required within the last five years.
- Experience in full scope nurse-midwifery practice
- Must be willing to work with residents and participate in resident education.
- Spanish speaking preferred.
- Ability to work flexible hours required
- Has consistently demonstrated service oriented performance.
- Clinical training and experience in first and third trimester limited obstetric ultrasound
- Must be able to communicate effectively with all members of the Health Care Team.

### DUTIES

Primary responsibility will be in L&D and OB clinic. Managing normal labor and delivery, including preventive measures and the detection of abnormal conditions; management of prenatal and postpartum outpatient care.

- Obtaining consultation and assistance from a physician when indicated.
- Providing emergency care until the assistance of a physician can be obtained.
- Management of the normal newborn, including resuscitation and immediate care when indicated.
- Perform pudendal block; local infiltration anesthesia; episiotomy and repair.
- Assist with Cesarean Section.
- Must treat external and internal customers in a respectful, friendly, helpful and professional manner at all times.
- Must adhere to service expectations of the department and facility
